

First Year Research Form

Johns Hopkins University
Department of Physics and Astronomy

Hopkins ID#

Student Name

Each graduate student is required to complete a research project during the three semesters of their first year and until the end of their second year (or until student finds a research advisor, whichever is first).

This form is to be used to keep track of your research requirements.

The form should be completed, signed, dated and returned to the Academic Affairs team, BLOOMBERG 366 **on or before the deadline date for the semester.**

I plan to do a research project with:

Name of Faculty or PI _____

Institution/Dept. (If other than JHU Physics and Astronomy) _____

Semester of Research: Please select appropriate semester

- Fall Term continues through Intersession
 - Register for course - AS.171.629
- Spring Term
 - Register for course – AS.171.630
- Summer Term
 - No course registration for summer
